Want to Join Stockman's Club?

Our sign-up meeting is the last Wednesday of October at 7:00 pm at the Hookstown VFD on Silver Slipper Road.

You can "Like" our Facebook page "**Beaver County Stockman's Club Inc.**" to keep up with announcements and news from our club. Our club members meet once a month to learn about raising their animal projects. We have guest speakers teach us about feeding and nutrition. We learn about different parts of each species of animal and how to raise a quality product. We have meetings all year but steer projects start in November while hog and lamb projects start in May. Poultry and Rabbit projects start in early Summer. All projects end with our Show and Sale in August. If you are interested or have any questions ask a member to introduce you to one of our leaders. You can contact us at
