

HAPPY HOLIDAYS!!

INDEPENDENCE TOWNSHIP

STATION 80

FIRE & RESCUE

2022 was a very exciting year for us! As a department, we celebrated marriages and new babies, and even added some awesome new members! We greatly appreciate the continued support from all the amazing residents in our township! Without your support, we would not be able to improve our department and our protection for you!

Come down to the station and visit with our members! Rope rescue, auto extrication, and hazardous materials response are just a few skills our department trains for. Our close-knit family is more than just your typical “fire department.” Our training nights are currently Mondays at 6:30 PM. We would love to get to know more of our Independence residents and show you around the station! Maybe you’ll even want an application!

We are looking for new members (Firefighters and Social Members)!

Member requirements are:

- required to attend 4 monthly meetings and 10% of the fundraisers held each year
- Firefighters, of course, have additional requirements such as attending training sessions and fire calls
