

# INDEPENDENCE TOWNSHIP COMMUNITY PARK

We are constantly searching for help to improve our community park. If it is time that you can donate to plant/maintain a small area of the park, if you can donate services to help improve the park or if you can donate monetarily, it would go towards creating a lasting impression in your Township.

Some of our ideas for further development are:

- Another pavilion for gatherings
- Creating a walking trail and improve the drive/parking

If you can help in any way, please contact Deb Shaffer at the Township Office at 724-378-3739

**Other recreational opportunities include canoeing and fishing on Raccoon creek and the Beaver County Conservation District has an 18 acre wetlands off of Route 151. The wetlands offer an opportunity to see migrating waterfowl, birds, insects, and mammals in this unique habitat.**
